

East Bridgford Church

Ideal for presents to celebrate a special occasion e.g. birthday, anniversary, engagement, Christmas or wedding.

"I'd recommend Tony to anyone, he took the time to go and photograph the Church for me, then gave me the choice of which angle I wanted the painting from. He has added his own personal touch to it and I'm delighted with the result.

Thank you the quality and service was wonderful."

- Suzanne Reeveley

Painting size, subject matter, colour to be decided in consultation with client.

If required framing can also be included.
