

## PRE CHRISTMAS-NEWSLETTER NOVEMBER 2022

Hi Everyone

I trust you are all well and that 2022 has been a reasonably good year. As some of you know I have been suffering from long Covid for the last few months which has been followed by another bout of the virus. Hopefully one thing may have cancelled out the other. Although my outside activities have been somewhat restricted e.g., cancellation of Patchings in July I have managed to produce some work and upheld my commitment to the two local ABCAT shows which were a great success. To be honest working has helped to keep me sane – although Anne, my wife, might disagree!!

I have just completed a painting of the Golden Gate Bridge at sunset which I think has worked quite well. This along with the other two images below are now available as Limited Edition prints.

**There is a pre Christmas offer of £50.00 on the above mounted prints plus postage and packaging, or free delivery within 5 mile radius.**

Following a recent visit to London I am currently working on a couple of images of the Isokon Building, Belsize Park, London. This block of residential flats is renowned as the first modernist construction of its kind in the Country. It has also had a number of well know occupants including Agatha Christie.

In terms of next year, I am excited by the fact that i have a one man show at the Heritage Centre, Canal Side, Beeston in June. This will be followed up by exhibiting at the Dame Catherine Arts Centre, Ticknall, Derbys over the August Bank Holiday weekend, and the ABCAT Art Trail and Show in September and October respectively (dates TBA).

In the meantime, if you are interested in my undertaking a commission to paint your favourite building or even your own residence then do not hesitate to contact me. I am happy to work to your images or my own, or a combination of both.

I hope that Christmas 2022 is a good one and I wish you all happy and festive New Year.

All the very best

Tony
